133/2017	<p>School Keep Clear Marking Consultation The Chair set out the background to this consultation by summarising what the traffic issues are in Menheniot village, outside the school entrance and other areas and what the parish council has done so far. A summary of the presentation he gave is included with these minutes. More information on the council's work with the school can be found in Traffic Report Numbers 1 and 2.</p> <p>Cornwall Councillor Phil Seeva explained that he would support whatever conclusions the meeting came to, and asked that residents should consider alternative solutions to the yellow line proposals, rather than just rejecting them out of hand. He had already listened to a range of opinions on the matter and felt that introducing rigid parking restrictions (as proposed in the consultation) was overkill. There were more flexible and community based solutions that could be found.</p> <p>The Chair opened up the floor to discussion about the alternatives to the introduction of yellow lines, and answered questions about parking around the school, Hartmeade and East Road. A summary of the questions and answers is attached to these minutes.</p> <p>After the discussion, the Chair asked for the meeting to indicate their support for the Cornwall Council School Keep Clear Markings: Phase 3, Area 5 proposals. A vote of 20</p>

	<p>residents out of 21 rejected the proposals and accepted the alternative offered by the parish council and primary school.</p> <p>The Chair thanked everyone for their contributions and closed the meeting.</p>
