Dear John,

Thank you for the Menheniot parish council response to the CGR consultation opposing a boundary change between Menheniot and Liskeard. This will be included within the pack that's being prepared for the Constitution and Governance committee.

Many thanks and all the best,  
Dan.

Hi John,

There's going to be a number of informal sessions for the Constitution and Governance Committee, but then 3 formal sessions (grouped by region) in September, November and January to make their final recommendations. Full council will then make a decision on the deferred proposals shortly afterwards. Any changes will be implemented in time for the 2025 elections.

All the best,  
Dan.
