Subject: Bulb grant

Dear John

Following the judging of the bee highways we have installed at Merrymeet it was suggested by the RHA judges that we also plant summer/autumn bulbs to extend the flowering period. I am therefor writing to ask if it would be possible for a grant of £75 to put towards the cost of purchasing such bulbs.

Many thanks for your previous help in establishing the bee highways around the village and can I also say how nice the flowers are looking around Liskeard this year.

Regards
