

What your parish council does

These are the main areas that the parish council has responsibility for. If you have a complaint or concern about any of these items, please contact the Clerk's Office or any parish councillor to report the matter.

Allotments

We rent out allotment space to residents of the parish on East Road. Contact us if you would like to rent out a plot.

Bus shelter

The parish council built the bus shelter that stands on the village green. We pay to keep it clean and maintained.

Grants & donations

We run a small grants and donations scheme to fund local organisations whose work we support. Full T&Cs on the website.

Ground maintenance

We maintain footpaths and open spaces in the parish by grass cutting throughout the year.

Open spaces

We own the playing field located by East Road in the centre of the village and generate an income for the council by hiring it out to sports clubs and associations.

Playgrounds

We have helped fund the purchase of equipment at Merrymeet and Menheniot centre. We are responsible for maintaining the safety of these facilities, and carry out weekly inspections, and undergo an annual inspection to ensure compliance to RoSPA standards. Please report any defects to the parish clerk.

Toilets

We own and maintain the public toilets in Menheniot village. This means we pay for cleaning, disposables, electricity, and water supplies. They're open 364 days of the year.

Planning

We act as consultees for all planning applications made within the parish boundary, and are involved in any other planning matters in any area that adjoins us. Keep updated with our Weekly Planning Report available online.
