The Council's Equalities Statement: I/we are committed to working in a way which values and treats all people with respect and dignity. The group or project, through its practices, will ensure that no member of the public, employee, volunteer or job applicant will receive less favourable treatment or suffer unlawful discrimination on the grounds of age, disability, faith, race, gender, gender identity or sexuality.	
The Council's Safeguarding Statement: I/we are committed to ensure that its organising committee, volunteers and those who participate in activities run by the organisation have an understanding of Safeguarding Children, Young People and Vulnerable Adults and what forms abuse may take and that they know where to raise concerns if abuse is suspected or reported. This means that everyone who works with you (paid or unpaid) has an awareness of what safeguarding means, and are clear on what action they should take if they have any concerns. This will include designating a key person in your project team who can listen to any concerns and decide what best course of action to take if necessary.
