Time: 7.30pm

Location: Old School, Menheniot PL14 3QY

Present: Cllr Adrian Cole, Chair. Cllrs Eve Easterbrook (Vice Chair); Julian Berg; Peter Luck; Pat Cade; Sean Smith; Tony Ball.

Also present: Cornwall Councillor Phil Seeva; John Hesketh (Clerk to the Parish Council). There were 12 members of the public in attendance.

124/2023 Chairman's Welcome.

Cllr Cole welcomed councillors and residents to the meeting and thanked everyone who had attended the Service of Remembrance last Sunday 12 November. He also thanked Brian Cade and the Royal British Legion for their work in organising the event. He referred to the effects that Storm Ciaran had had across the parish, with road flooding and some debris on the roads causing localised problems, and thanked Cllr Ball and the Clerk for their time in visiting the affected areas and reporting damage to Cornwall Council.

125/2023 Apologies for Absence.

Received from Cllrs Curgenvin and Goldsmith. No apologies received from Cllr Tucker.

126/2023 Members' Declarations.

Cllr Ball declared an interest in Item 131C, and Cllr Easterbrook in Item 131G. The Chair granted dispensations to both to participate in the discussion but not to vote. No other declarations made or dispensations requested.

127/2023 Public Participation.

Cornwall Councillor Phil Seeva reported that: he thanked the RBL for their invitation to attend the Service of Remembrance; would facilitate a meeting between the parish council and CC Highways. He had recently spoken with the Cornwall Planning Officer responsible for Tencreek Farm who, in response to the parish council decision not to support the applications, had started discussions with the housing developer. The Officer was expecting to receive his own feedback from both applicants before Christmas and should be making a decision in Spring 2024. There was no news to report on proposals to improve road safety on the A38.

128/2023 Minutes of Meeting.

It was **Resolved** to approve the minutes of the meeting held on 19 October 2023. Proposed Cllr Easterbrook. Seconded Cllr Cole. All agreed.

129/2023 Planning

A To agree the parish council's response to Cornwall Council consultations on new planning applications received before the agenda was finalised.

Ref: PA23/08620

Proposal: Erection of light industrial building, with associated works.

Location: Land North Of Little Trethew Industrial Units Horningtops Cornwall PL14 3PZ

Councillors reviewed the application documents and noted concerns about: the adverse impact that additional traffic would have on surrounding roads and junctions onto the A38; the runoff of water in an area that was mainly hardstanding; the lack of information regarding the disposal of foul sewage. It was **Resolved** not to support this application. Proposed Cllr Cole. Seconded Cllr Luck. All agreed.

Ref: PA23/07918

Proposal: Build a new floodlit tennis court with fencing. Replacement of existing halogen floodlights to LED floodlights on the existing MUGA.

Location: Football Ground East Road Menheniot Cornwall

Councillors received representations from the MSA management team and from residents who did not support the application. Arguments against included: the loss of habitat and green space if the court were to be built as indicated on the plan; light pollution from the existing courts; poor maintenance of fences adjacent to the MUGA. Supporting arguments included: anti-social behaviour on the proposed space that would be displaced if the new courts were built; native tree species and other landscaping would improve the appearance of the area; demand for play space had increased substantially since plans were last submitted in 2016. At the October 2023 meeting, a petition signed by 23 residents had been presented; Clerk reported that he had since received 13 emails from residents, 4 of which asked for their names to be removed from the petition and 9 were supportive of the project. Because the planning application had been received late, the Chair felt that there had been insufficient time to scrutinise the proposal, and it was **Resolved** to postpone a decision until at least 1 December 2023. Proposed Cllr Easterbrook. Seconded Cllr Berg. All agreed.

Action: Clerk to coordinate responses from the council's Planning & Development Working Group, and take further comments from residents and the MSA. A timetable for consultation will be published on the council's website.

B Any applications received by Cornwall Council by the time of the meeting. Information only: none received.

B Transport & Highways Working Group

Report back on a proposal to lobby for a one-way system to be created at Merrymeet.

Cllr Luck explained that there had been some local consultation on the proposal, and opinion was divided about the impact that re-routing farm and other heavy traffic along Church Road could have if a one-way system was introduced. The temporary one-way system that the Liskeard Show used each year worked well, but it was marshalled, unlike the permanent scheme that was being proposed. Cllr Cole is meeting with CC Highways Manager next week and will discuss the issue with him.

Action: Clerk to add this item to Highways meeting agenda.

Speed Warning Signs at Merrymeet

CC Highways have offered to install a vehicle activated warning sign on the A390. Cllr Cole will discuss the choice of sign and location at a meeting with the Highways Manager next week.

This had been fed back to the bus operators as part of their discussions with CC to plan for services in 2024.
