

# NAME THAT STREET *at Tencreek Farm*

Tencreek Farm will eventually be the home for many more people in our parish. So - what will their addresses be? And how will Amazon deliver?

Wainhomes and the parish council want your ideas for street and road names that can be used to identify spaces in the new development.

Ideally, they should reflect part of the history and heritage of our parish. A famous name? An event? Something with a special meaning that only Menheniot people would understand? (Cornish names welcomed!)

Whatever your ideas, phone or email them into us before 11 September (with a short explanation as to why you think we should choose it), and a group of councillors together with a representative from Wainhomes will choose a final 8 names.

(If you're under the age of 11, let us know – there might be a prize for your entry if it's selected as one of the final choices)
